Woof! You've successfully completed this section of the Health and Life Experience Survey! Just like no two dogs are the same, neither are two households or owners. We all come from different walks of life, and our dogs take these strolls with us. If you're ready to move on, please continue with the next section once you are returned to the portal. If it's time to take your dog for a walk, don't worry. All your answers have been saved, and you can return to your personal portal to continue at any time.
